

Derbyshire Classic Car Lodge No.9983

Who are we?

Although Derbyshire Classic Car Lodge (DCCL) was formed in December 2019 at the start of the Covid-19 Pandemic, various lockdowns halted official meetings but failed to dampen the spirit of the membership. Once the Covid regulations were relaxed members and their vehicles gathered at impromptu but social distanced meetings, which helped to bond the membership of this new lodge.

What we do?

Like many lodges with a specialist theme, Derbyshire Classic Car Lodge No.9983 boasts a strong membership base and new members expressing similar interests will be ensured of receiving a warm and sincere welcome.

Why join us?

Derbyshire Classic Car Lodge is unique in the Province of Derbyshire as it combines the appreciation of stylish automobiles with the warm fellowship and brotherly bonds of Freemasonry. Prospective members don't need to own a classic, just have an interest in veteran, vintage or classic vehicles to enjoy a warm welcome to this new, but vibrant Lodge.
