

Dronfield Lodge No.9570

Who are we?

Dronfield Lodge was formed in the mid 1980s and although not exclusively, has most members from the town of Dronfield and surrounding areas. We have a long age profile from young to not so young and members from all professions and walks of life. The Ladies are not forgotten, with joint social evenings and their own dinners and lunches through the year.

What we do?

We help members become more confident, thoughtful and consider themselves and others through our moral code. We support the community, but most of all we are happy together and spread happiness.

Why join us?

If you want to learn more about yourself, join a very supportive group of friends and be proud of contributing to the Dronfield community, then Dronfield Lodge is waiting for you.
