Lodges at New Mills Freemasons' Hall

Mellor Lodge No. 3844
Peveril of the Peak Lodge No. 654

Who are we?

Mellor Lodge was Consecrated on the 4th June 1918 and we celebrated our Centenary on the 4th of June 2018 along with over 100 Brethren and members of the lodge. Since then we have been actively looking to the future by increasing the Lodge membership.

What we do?

We strongly believe that we should increase our representation at all times within the local community.

Why join us?

We are a progressive Lodge who enjoy our Masonry within our own Lodge as well as visiting other Lodges. We enjoy a collective approach to our ceremonies attempting to involve as many of the Brethren as possible. A strong team that works well together.
