What we do?

Daylight Freemasonry provides an opportunity to meet in a relaxed environment among many members who are Past Masters and have experience in a variety of area's essential for new members to learn.

Why join us?

Several Freemasons have chosen Meridian Lodge as an extension of their existing Masonic activity, but many have also joined due to evening commitments e.g., work, family care commitments etc. Others because of transport issues, such as driving at night or just being away from home until late evening.
