Who are we?

Although the Lodge is over 150 years old and having met in Buxton, its connections go back to the late 1700s from Lodges having previously met in Longnor and Lichfield in Staffordshire.

What we do?

We support national and local charities, appeals and other worthy causes. Local community/voluntary organisations are helped by supporting their work in the community. Specific targeted help is provided to freemasons and their families when needed.

Why join us?

We have a great heritage and strive to keep the traditions of the Lodge, we endeavour to have a modern day approach to being a Freemason in the local community.
